Thanks, Elizabeth.

We are available tomorrow (Thursday) at 1:30 pm Pacific. Does that time still work?

Hi Mike. Sorry for my late response. I'm having trouble getting schedules to align. EPA can talk tomorrow from 2-3:00 PT, or on Thursday after 12:00. Would either of those times work for you? Also, I have attached the letter from Midas to EPA that I mentioned in our call.
